SUBJECT: Recommendation to approve and accept a Grant of Trail Easement from Truckee Meadows Water Authority (TMWA), a Joint Powers Entity, to Washoe County for non-motorized public use, limited maintenance, and installation of signage on the existing access road located on approximately 11,994 square feet of Assessor's Parcel Number (APN) 038-182-09 at a cost of \$0.00; and approve a Consent to Use agreement between Sierra Pacific Power Company, d/b/a NV Energy, TMWA, a Joint Powers Entity, and Washoe County to allow TMWA to grant the trail easement on APN 038-182-09 to Washoe County for public use [Three signs will be installed in the easement area as part of the Canepa Ranch Trailhead construction project for an estimated cost of \$1,500.00]. (Commission District 1.) FOR POSSIBLE ACTION

SUMMARY

The Canepa Ranch Trailhead will be constructed on the Canepa Ranch open space properties located along the Truckee River in Mogul. The trailhead will provide public access to the Truckee River and to adjacent public lands and trails managed by the Forest Service. In 2024, the Board of County Commissioners accepted grant funding through the State of Nevada, Conservation and Recreation Program to construct the Canepa Ranch Trailhead which is identified in the Carcione and Canepa Ranch Recreation Access Plan (2022) and the Regional Parks and Open Space Master Plan (2019). The project scope includes design and construction plans, permitting, access road paving and improvements, ADA compliant paved parking lot, fencing, access gate, new singletrack loop trail, new accessible river access path, interpretive and wayfinding signs and kiosks, 2-stall ADA accessible vault-style restrooms, landscaping and/or native plantings, and picnic areas.

Site conditions include steep slopes from the proposed parking lot location to the Truckee River. Due to the steep slopes, it isn't feasible or cost effective to build an accessible river path exclusively on the County owned property. The Truckee Meadows Water Authority (TMWA) owns an adjacent parcel (Assessor's Parcel Number 038-182-09) with an existing dirt access road that would provide a feasible connection from the trailhead parking lot to the Truckee River and serve as part of the County's river access path. If

accepted, the Grant of Trail Easement will allow public access for non-motorized recreation, installation of signage, and limited maintenance on the access road. Sierra Pacific Power, d/b/a NV Energy, holds a non-exclusive blanket access easement on the TMWA property. If approved, the Consent to Use document will allow TMWA to grant the trail easement to Washoe County for a public trail. The 15' wide trail easement follows the existing access road alignment on Assessor's Parcel Number 038-182-09 and includes approximately 11,994 square feet.

April 25, 2000 – The Board approved the 2000 Regional Parks, Open Space and Trails Bond (WC-1) project list, which included Truckee River land acquisitions.

January 28, 1997 – The Board authorized the purchase of 42 acres of Truckee River property (currently identified as APN 038-790-01) in partnership with the Nevada Division of Wildlife for a total of \$50,000 (\$25,000 from Washoe County and \$25,000 from NDOW) for the purpose of providing Truckee River access, fisherman access, recreational access, winter deer range and open space along the Truckee River.

BACKGROUND

The Canepa Ranch Trailhead will be constructed on the Canepa Ranch open space properties located along the Truckee River in Mogul. The trailhead will provide public access to the Truckee River and to adjacent public lands and trails managed by the Forest Service. The Canepa Ranch parcels were acquired through several land acquisition deals in 1997 and 2002. The land acquisition in 1997 was a joint Washoe County and Nevada Division of Wildlife (NDOW) project for the purchase of ±42.4 acres with the goal of providing river and recreation access and protecting winter mule deer habitat. NDOW and the County continue to co-own that parcel. In 2002, Washoe County acquired six additional parcels totaling ±121

acres that were part of the former Canepa Ranch, along with their associated water rights. Then, in 2009, Washoe County sold ±111 of those acres to the United States Forest Service. In total, Washoe County retains ±53 acres of land that was once part of Canepa Ranch.

The Board of County Commissioners (Board) accepted a State of Nevada, Conservation and Recreation Program grant in the amount of \$748,497.00 on August 27, 2024. The grant funds will be used to construct the Canepa Ranch Trailhead which is identified in the Carcione and Canepa Ranch Recreation Access Plan (2022) and the Regional Parks and Open Space Master Plan (2019). The project scope includes design and construction plans, permitting, access road paving and improvements, ADA compliant paved parking lot, fencing, access gate, new singletrack loop trail, new accessible river access path, interpretive and wayfinding signs and kiosks, 2-stall ADA accessible vault-style restrooms, landscaping and/or native plantings, and picnic areas.

Design work for the Canepa Ranch Trailhead project began in 2025 and the plans are currently at 60%. Site conditions include steep slopes from the proposed parking lot location to the Truckee River. Due to the steep slopes, it isn't feasible or cost effective to build an accessible river path exclusively on the County owned property. The Truckee Meadows Water Authority (TMWA) owns an adjacent parcel (Assessor's Parcel Number 038-182-09) with an existing dirt access road that would provide a feasible connection from the trailhead parking lot to the Truckee River and serve as part of the County's river path. If accepted, the Grant of Trail Easement will allow public access for non-motorized recreation such as walking, jogging, running, hiking, and biking. The Grant of Trail Easement will also allow Washoe County Parks to install signage and perform limited maintenance such as trash removal. Washoe County Parks will coordinate with and obtain approval from TMWA for any future construction activities associated with the Canepa Ranch Trailhead project within the easement area. Sierra Pacific Power, d/b/a NV Energy, holds a non-exclusive blanket access easement on the TMWA property, which was recorded on May 16, 2008, as Document No. 3650764 in the Official Records of Washoe County, State of Nevada. If approved, the Consent to Use document will allow TMWA to grant the trail easement to Washoe County for a public trail. The 15' wide trail easement follows the existing access road alignment on Assessor's Parcel Number 038-182-09 and includes approximately 11,994 square feet.

FISCAL IMPACT

Washoe County Parks is currently working on construction plans for the Canepa Ranch Trailhead project which will connect into the easement area at three separate points. Three signs will be installed in the easement area as part of the Canepa Ranch Trailhead construction project for an estimated cost of \$1,500.00. Sufficient funds and budget authority exist in FY26 in the Parks Capital Fund (404), Canepa Ranch Trailhead (PK906056) and Carcione-Canepa Master Plan Implementation (PK052114).

RECOMMENDATION

It is recommended that the Board of County Commissioners approve and accept a Grant of Trail Easement from Truckee Meadows Water Authority (TMWA), a Joint Powers Entity, to Washoe County for non-motorized public use, limited maintenance, and installation of signage on the existing access road located on approximately 11,994

square feet of Assessor's Parcel Number (APN) 038-182-09 at a cost of \$0.00; and approve a Consent to Use agreement between Sierra Pacific Power Company, d/b/a NV Energy, TMWA, a Joint Powers Entity, and Washoe County to allow TMWA to grant the trail easement on APN 038-182-09 to Washoe County for public use [Three signs will be installed in the easement area as part of the Canepa Ranch Trailhead construction project for an estimated cost of \$1,500.00].

POSSIBLE MOTION

Should the Board agree with staff's recommendation, a possible motion would be: "Move to approve and accept a Grant of Trail Easement from Truckee Meadows Water Authority (TMWA), a Joint Powers Entity, to Washoe County for non-motorized public use, limited maintenance, and installation of signage on the existing access road located on approximately 11,994 square feet of Assessor's Parcel Number (APN) 038-182-09 at a cost of \$0.00; and approve a Consent to Use agreement between Sierra Pacific Power Company, d/b/a NV Energy, TMWA, a Joint Powers Entity, and Washoe County to allow TMWA to grant the trail easement on APN 038-182-09 to Washoe County for public use [Three signs will be installed in the easement area as part of the Canepa Ranch Trailhead construction project for an estimated cost of \$1,500.00]."
