### Food Protection Hearing Advisory Board (FPHAB) Application

I am interested in volunteering with the Food Protection Hearing and Advisory Board:

Name: Peter Cencer

Address: [REDACTED]

Phone: [REDACTED]

Email: [REDACTED]

#### Reason for interest in joining the Food Protection Hearing and Advisory Board:

As a supervisor of 10 locations I am aware of the importance of serving safe food. As a father and grandfather, I depend on operators to keep the food safe for my family, and would like the opportunity to help, my family and my community . I work well with other restaurant owners, and see some of the hurdles they go through keeping their operations up to standards and can address issues they may have implementing items. From human to human I do not want to see anyone have to suffer. I really like seeing the evolution of food safety in my 30 years+ in the industry and find bacteria and viruses fascinating.  
Thank You
