### **SUMMARY**

Nevada law requires the Registrar of Voters to establish polling places for in-person early voting and election day voting. NRS 293.2731. The Registrar of Voters must, per NRS 293.3561(2)(b), inform the Board of County Commissioners of the sites selected as polling places for early voting by personal appearance. For early voting, May 25, 2024, through June 7, 2024, there will be 24 early voting locations and one drop box only location. On Election Day, June 11, 2024, there will be 49 polling places. Each of these polling places will be Vote Centers, which means that any person entitled to vote in Washoe County by personal appearance may do so at the polling place of their choosing. At each of these locations, voters will be able to either drop off their mail ballots or cast their vote in person using the ICX Prime election tablets.

### **PREVIOUS ACTION**

None

### **BACKGROUND**

Early voting has become increasingly popular with voters. Each election cycle, the Registrar seeks to meet the demands for early voting by supplying an adequate number of locations that will allow voters in each geographical area of the community to access a location near their home or place of work.

### **FISCAL IMPACT**

Early Voting for the 2024 Primary Election is estimated to cost approximately \$84,429.09 for election workers. These expenses are currently budgeted for in the
