

Award Notification – Funding Support for Senior Services Initiatives

Date: October 22, 2025

Washoe County Human Services Agency
Attn: Cora Carroll
350 S. Center St.
Reno, NV 89501

Dear Ms. Carroll,

On behalf of UnitedHealthcare, Health Plan of Nevada, we are pleased to inform you that your proposal to support vulnerable older adults in Washoe County has been approved for funding.

We are awarding \$48,800 to the Washoe County Human Services Agency (WCHSA) to support the following initiatives:

1. Pest Remediation Assistance – To help low-income seniors recover from pest infestations and maintain housing stability.
2. Relocation Support – To assist seniors in safely relocating to secure and affordable housing.
3. PEARLS Program Transportation – To provide transportation for participants in the PEARLS program and its aftercare support group.
4. Social Engagement Activities – To expand access to enriching activities that promote mental and physical well-being.

This funding reflects our shared commitment to enhancing the quality of life for older adults and ensuring their continued independence and dignity.

Congratulations and thank you for your continued dedication to the seniors of Washoe County.

Sincerely,

Hollan
