

BRYAN CANYON ROAD AND RESTORATION

**APPEAL PRESENTATION
FEBRUARY 11, 2025**

Conditions of Approval Related to Dam Safety and the Safety of Downstream Residents

1. Operations and Maintenance (O&M) Manual (General Condition #3)
2. Emergency Action Plan (Dam Safety Condition #1)
3. Inspection Program (Dam Safety Condition #2)
4. Annual Inspection Program Enforcement (Dam Safety Condition #2 and 3)
5. Breach Analysis (Dam Safety Condition #6)
6. De-commissioning Plan (Dam Safety Condition #7)
7. Peer review of plans (Dam Safety Condition #9)
8. Seismologic Analysis (Dam Safety Condition #11)
9. Financial Assurance (Dam Safety Condition #13)

- Approval of the Special Use Permit does not allow the project to move forward immediately.
- Full Site Improvement Plans will be required to be submitted to Washoe County Engineering for REVIEW AND APPROVAL prior to ANY work be started on the site.
- Review will ensure compliance with the Conditions of Approval.

THANK YOU
