BACKGROUND

Title IV-B Subpart 1 of the Social Security Act, also called the Stephanie Tubbs Jones Child Welfare Services Program, primarily supports formula grants to state, tribal, and territorial child welfare agencies for provision of services to children and their families. Additional funds are provided to courts to improve handling of child abuse and neglect proceedings. Finally, some Title IV-B dollars are provided on a competitive basis to various public or private entities for support of research, evaluation, training, or other grants intended to improve or expand provision of child welfare-related services.

Title IV-B of the Social Security Act is an important funding stream for child welfare. It provides funding for many activities including protecting and promoting the welfare of all children, preventing the neglect, abuse or exploitation of children, and support at-risk families. Prior to 2019, the State had not issued a Notice of Subaward (NOSA) for Title IV-B funding.

The Agency received the Notice of Award for this sub-grant on March 24, 2026, with an effective date of July 1, 2025; therefore, the request to accept this award is retroactive.
