Re: Letter of Reference for Brian Erbis - Washoe Leadership Academy

To Whom It May Concern:

I am writing to recommend Brian Erbis for a placement in the Washoe Leadership Academy. I have known Brian for four years in a person capacity as his wife is a co-worker of mine at the U.S. Attorney's Office in Reno. Since retiring from his law enforcement position and moving to Reno, Brian has wanted to return to a career to public service and has gone back to school to achieve those goals. He is dedicated to making this area a better and even more enjoyable place to live. I highly recommend his admission to the program.

Sincerely,

Dear Commissioners:

I am pleased to recommend Joni Hammond for a Washoe County board of adjustment position. I worked with Joni for over 20 years at the State of Oregon's Department of Environmental Quality (DEQ). I have been consistently impressed with her dedication, professionalism, and strong work ethic. Joni is trustworthy, reliable, has a good sense of humor and sets the highest standards for excellence in public service.

Joni has worked at all levels of state government, from staff positions to 10 years serving as the agency's deputy director—overseeing all operations at DEQ, encompassing a wide range of activities associated with regulating air, water and land in OR. This included development of environmental permits that ensured the permittee had complied with all planning/land use regulations. Joni is also well versed in all aspect of public processes, including appropriate outreach for inclusive public engagement.

Joni has a positive attitude and genuine ability to connect with others, at all levels. Her leadership and problem-solving abilities consistently contribute to success in all her endeavors. She would be an outstanding asset to the Washoe County board of adjustment.

If you have any questions or would like to further discuss Joni's qualifications for this distinguished opportunity, please contact me at heninger@comcast.net or 503/828-7818.

Interests & Experiences

Which Boards would you like to apply for?

Washoe County Planning Commission: Submitted

Please tell us about yourself

Why are you interested in being part of this board, commission, or academy?

A few years ago, I attended a Planning Commission meeting for the City of Sparks. They were discussing a zoning issue that deeply impacted my neighborhood in Spanish Springs. I spoke before the planning commission about the issue, and followed the measure through several City Council meetings until a decision was made. This was my first introduction into local government, but it quickly became clear that I wanted to know more about how things worked in my community. I also wanted to be more involved. I was born and raised in Sparks and moved to Spanish Springs around 4 years ago. I've seen monumental changes happen in my community over the past few decades. As I've started raising my own family here, I've become even more invested in the direction of my hometown. I'm a homeowner and a mother of two. I plan to raise my children here in Spanish Springs and want to help shape this community to preserve the quality of life that I had growing up here. I'm currently a stay-at-home mom, so I have flexibility with my schedule. I'm also looking for a bit of a challenge and think this would be an excellent opportunity. I know that change and growth is inevitable in any community, and I believe it requires thoughtful decision making and care. I think I could bring this to the table and help guide my community in a positive direction for the future.

How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.

I'm a former newscast producer at KOLO 8 News, and I hold a degree in Journalism from the University of Nevada, Reno. I stay up to date on the challenges facing our community and follow everything from news articles, to what's happening in the Nevada Legislature. I frequently attend Citizen Advisory Board Meetings in Spanish Springs and speak with neighbors about their concerns for our area. I have a vested interest in the Spanish Springs community. I think I would be a strong addition to the Planning Commission and bring a fresh and positive perspective.
