

A photograph showing two paramedics in dark uniforms attending to a young patient lying on a stretcher inside an ambulance. The patient is wearing an oxygen mask and has medical sensors attached. The paramedics are focused on their work. The background shows the interior of the ambulance and a glimpse of the outside world through the windows.

CARE. COMMUNITY. INNOVATION.

Since 1986, REMSA Health has provided nationally recognized ground ambulance service within Washoe County, Nevada. As the largest employer of EMS personnel in Northern Nevada, REMSA Health provides residents and visitors with 9-1-1 response and transport, interfacility transport, disaster preparedness, special events coverage, search and rescue, tactical medical support, and public education. REMSA Health provides ground ambulance services under a performance-based franchise agreement with the Washoe County Health District and is the sole provider of emergency and inter-facility ground ambulance transport services within Washoe County (excluding Incline Village and Gerlach). REMSA Health is a private nonprofit community-based service which is solely funded by user fees with no local community tax subsidy.

REMSA Health maintains its operational and clinical standards as one of the most recognized high- performance EMS systems in the country. REMSA Health responds to approximately 80,000 requests for service per year.
