

**MEMORANDUM OF UNDERSTANDING**  
for  
**Lawn and Garden Exchange Project**

between  
Washoe County School District  
and  
Northern Nevada Public Health

This Memorandum of Understanding ("MOU") sets forth the understanding and agreement between Northern Nevada Public Health, in connection with its Air Quality Management Division, ("NNPH-AQM") and the Washoe County School District, ("WCSD") (collectively, "Party" or "the Parties") to implement all aspects of the Lawn and Garden Exchange Project. However, the Parties understand that this MOU is intended as a guideline and is not binding on either Party nor does it create any right or entitlement in any third party.

**RECITALS**

1. Northern Nevada Public Health, pursuant to NRS 439.410, is a public agency with jurisdiction over all public health matters within Washoe County, Nevada.
2. WCSD, pursuant to NRS 386.010, is a political subdivision of the State of Nevada whose purpose is to administer the state system of public education.
3. NNPH-AQM implements clean air solutions that protect the quality of life for the citizens of Reno, Sparks, and Washoe County through community partnerships along with programs and services such as air monitoring, permitting and compliance, planning, and public education. Recent data shows that Washoe County is in jeopardy of violating the National Ambient Air Quality Standard (NAAQS) for Ozone. A major contributor to ozone pollution is the combustion of fuel in vehicles and equipment. Ozone is formed when volatile organic compounds (VOCs), and nitrogen oxides (NOx) react in sunlight. Gas lawn and garden equipment contribute to ozone formation as they emit VOCs and NOx. Portable gasoline containers and refueling are additional sources of VOCs. Recognizing this, the Parties are looking to partner on the Lawn and Garden Exchange Project to improve air quality for the children and citizens of Washoe County and protect public health for all.

**NOW THEREFORE, THE FOLLOWING IS THE UNDERSTANDING BETWEEN NNPH-AQM AND WCSD:**

NNPH-AQM will:

1. Provide funding to purchase battery electric lawn and garden equipment and back-up batteries to replace current in use gas-powered lawn and garden equipment owned and operated by the WCSD.
2. Purchase and donate lawn and garden equipment to the WCSD as previously agreed upon and found in **Attachment 1**.
3. Coordinate with WCSD staff to provide a presentation to the WCSD Board of Trustees.
4. Coordinate with WCSD staff in messaging to the press and via social media.

5. Not pay, reimburse or otherwise compensate WCSD for any salvage or material disposal costs, including hazardous waste abatement fees, labor costs, fines, permits or other charges resulting from the destruction, disposal or recycling of the lawn and garden equipment.

WCSD will:

1. Replace, destroy, and recycle all gas-powered lawn and garden equipment previously agreed upon and found in **Attachment 1** to ensure older, high emitting equipment are removed from service and no longer operable or repairable.
  - a. If any changes are made to the equipment list identified in **Attachment 1** that are to be replaced, destroyed, and recycled, WCSD will notify NNPH-AQM and provide an updated list.
2. Make every effort to recycle as many of the parts and materials associated with the gas-powered lawn and garden equipment as possible.
3. Manage all waste in an appropriate manner and in compliance with all state and federal regulations.
4. Assume all liability for the ongoing maintenance, repair, and warranties of the battery electric lawn and garden equipment.
5. Coordinate training for WCSD staff on the use and maintenance of the battery electric lawn and garden equipment and back-up batteries to maximize use and efficiency.
6. Coordinate with NNPH staff to provide a presentation to the District Board of Health.
7. Coordinate with NNPH staff in messaging to the press and via social media.
8. Upon completion of the project, provide a letter to NNPH-AQM within 60 days of project completion summarizing project activities and a final list of all gas-powered lawn and garden equipment that have been replaced, destroyed, and recycled.

### **CONTACT INFORMATION**

Each party will designate at least one point of contact ("POC") responsible for coordinating the activities under this MOU. The POC designees are:

For WCSD:

- Tami Zimmerman  
Chief Facilities Management Officer  
[tzimmerman@washoeschools.net](mailto:tzimmerman@washoeschools.net)  
775-789-3858

For NNPH-AQM:

- Francisco Vega  
Director  
[fvega@nnph.org](mailto:fvega@nnph.org)  
775-784-7200

1001 E. Ninth St, Bldg. B  
Reno, NV 89512

**CONFIDENTIALITY REQUIREMENTS**

All appropriate releases of information and consent forms must be completed prior to discussing confidential information.

**BACKGROUND CHECK REQUIREMENTS**

Each party is responsible for ensuring all staff and volunteers have completed and passed the appropriate background checks, pursuant to NRS 179A.

**NO THIRD-PARTY RIGHTS CREATED**

This MOU shall not create any rights in or benefits to any specific persons or entities who are not parties to this MOU. This MOU is entered into for the benefit of the public as a whole, and not for any specific members of the public.

**EFFECTIVE DATE**

This MOU shall be effective when signed by authorized representatives of both parties. The parties agree to implement the terms of this MOU as of the date of the final signatures below.

**AMENDMENT**

This MOU may be modified or amended at any time in writing by mutual consent of the parties.

**TERMINATION**

This MOU may be terminated at any time by either party with five (5) days prior written notice to the other party.
