AGENDA ITEM # _____

BACKGROUND

The 80th Nevada Legislature passed Assembly Bill 236 (AB 236), which became effective on July 1, 2020. AB 236 created the Nevada Local Justice Reinvestment Coordinating Council. The Council advises the Sentencing Commission on legislation, regulations, rules, budgetary changes, and other actions necessary to implement the provisions of AB 236. This includes:

1. Identifying county-level programming and treatment needs for individuals involved in the criminal justice system to reduce recidivism.
2. Making recommendations to the Sentencing Commission regarding grants to local governments and nonprofit organizations from the State General Fund.
3. Overseeing the implementation of local grants.
4. Creating performance measures to assess the effectiveness of those grants.
5. Identifying opportunities for collaboration with the Department of Health and Human Services at both the state and county levels for treatment services and funding.

Each member serves a two-year term and may be reappointed in the same manner as the original appointment. If a vacancy occurs, a new member must be appointed no later than 30 days after the vacancy.

FISCAL IMPACT

There is no fiscal impact to Washoe County for making appointments to or participating on the Nevada Local Justice Reinvestment Coordinating Council.
