Method of Selection: Sole Source

Period of Performance: July 01, 2025 - June 30, 2026

Scope of Work: Life Changes will provide a sober living recovery house with 5 beds for exclusive use for up to 10 STAR program participants at the cost of \$4,000 per month for 12 months (\$4,000 x 12 = \$48,000) and one trained live-in house manager's salary, equal to \$17/hr. x 2,080 hours, plus fringe rate of 19% (\$17 x 2080 = \$35,360 + \$6,718 fringe = \$42,078)

Recovery house services with Life Changes will ensure participants without safe, sober housing are given a temporary place to live until permanent housing solutions are identified, which relate to the goal of increased recovery success for STAR participants.

\* **Sole Source Justification:** Life Changes is a unique agency with several individual homes in its network of sober living houses and has agreed to provide DAS with exclusive use of an entire house for STAR participants only, which is unavailable in other local housing agencies. Furthermore, Life Changes serves clients who are recovering from OUD and has experience training and employing house managers who are peers and who understand the nature of recovery.

Name of Contractor or Subrecipient: The  
Empowerment Center

**Total            \$56,122**

Method of Selection: Sole Source

Period of Performance: July 01, 2025 - June 30, 2026

Scope of Work: The Empowerment Center will provide supportive permanent housing at their Marvel Way sober living apartments including rent and the cost of furnishings by providing up to 4 individual apartments for STAR program participants who are in need of this recovery support for up to 1 year each.

In collaboration with Marvel Way Apartments leadership, the total budget requested reflects not only base rent costs, but the essentials required to make each apartment a home. In the short time Marvel Way has been operational, the organization has realized that, often, their residents arrive at the complex lacking basic essentials, such as kitchenware, towels and linens, or even a bed to sleep in. Transition, whether from residential treatment programming, a longstanding contributory environment to one's substance uses and/or mental health disorder, or a state of transience often brings deep-seated anxiety along with it. By setting a foundation of comfort and utility in the units DAS intends to sponsor, paired with an organization that not only houses, but supports individuals through long-term recovery, we aim to promote a home in which one can begin independent living with dignity.

Residents living at Marvel Way have chosen and agreed to live in a substance-free community and participate in creating a mutually supportive neighborhood of recovery. Residents must sign rental agreements that include random or situational drug testing. They will engage with the Resident Manager to obtain medical services needed, employment, counseling, and other resources deemed necessary for success. No other treatment is mandatory. There will be 12-step meetings on-site several times per week along with other skill-building and social engagement activities designed to help create a supportive community.

\* Sole Source Justification: Marvel Way is the only apartment complex in Northern Nevada that offers permanent residence in a sober living environment for individuals and their families who've recently completed SUD programs. The Empowerment Center is the recovery program that owns Marvel Way sober living properties and manages the recovery program offered on site.

Primary and Urgent care as well as Coordination of Care services. The negotiated discounted cost is a flat \$100 per month for unlimited services offered through their practice.

\* Sole Source Justification: Other service providers in the Reno/Sparks area were also researched, including Access to Healthcare Network, a medical discount program. While they offer monthly membership, additional fees are charged for each service received. In contrast, Reno Family Medical Group provides a broad range of medical services covered entirely by a flat monthly membership fee. For the limited healthcare needs anticipated during the short transition period between Medicaid disqualification and the activation of employer benefits, Reno Family Medical Group offers the most cost-effective solution for supporting STAR participants.

Total Budget			\$ 9,827.50

Justification: Roughly half of the current STAR participants are using public buses for transportation, including those participants with DUI charges/convictions. Transportation via public transit is necessary for participants to attend check-in for probation purposes, journaling, and counseling with the STAR team, as well as MAT services appointments.

Our STAR Mental Health counselor is relocating to the main DAS Office. The offices at the main DAS office are very clinical and not restful or welcoming to promote a sense of relaxation to allow clients to open up during their counseling sessions. Desk, office chair, patient couch and sound machine are examples of the items that will be purchased. Our Mental Health Counselor will also be bringing some of her personally purchased items to make the space even more warm and welcoming.

The STAR promotional video has been an invaluable tool for attracting new participants to the STAR program. The most notable is the access to the video on the detention facility tablets. Informing the inmate population of the STAR program as a recovery resource has resulted in a marked increase in self-referrals to the program. Due to the changeover in staff and recent inspiring STAR participant success stories we would like to contract the original company to update the videos.

Period of Performance: July 01, 2026 - June 30, 2027

Scope of Work: Life Changes will provide a sober living recovery house with 5 beds for exclusive use for up to 10 STAR program participants at the cost of \$4,000 per month for 12 months (\$4,000 x 12 = \$48,000) and one trained live-in house manager's salary, equal to \$17/hr. x 2080 hours, plus fringe rate of 19% (\$17 x 2,080 = \$35,360 + \$6,718 fringe = \$42,078)

Recovery house services with Life Changes will ensure participants without safe, sober housing are given a temporary place to live until permanent housing solutions are identified, which relate to the goal of increased recovery success for STAR participants.

**\* Sole Source Justification:** Life Changes is a unique agency with several individual homes in its network of sober living houses and has agreed to provide DAS with exclusive use of an entire house for STAR participants only, which is unavailable in other local housing agencies. Furthermore, Life Changes serves clients who are recovering from OUD and has experience training and employing house managers who are peers and who understand the nature of recovery.

Name of Contractor or Subrecipient: The  
Empowerment Center

**Total                      \$56,122**

Method of Selection: Sole Source

Period of Performance: July 01, 2026 - June 30, 2027

Scope of Work: The Empowerment Center will provide supportive permanent housing at their Marvel Way sober living apartments including rent and the cost of furnishings by providing up to 4 individual apartments for STAR program participants who are in need of this recovery support for up to 1 year each.

In collaboration with Marvel Way Apartments leadership, the total budget requested reflects not only base rent costs, but the essentials required to make each apartment a home. In the short time Marvel Way has been operational, the organization has realized that, often, their residents arrive at the complex lacking basic essentials, such as kitchenware, towels and linens, or even a bed to sleep in. Transition, whether from residential treatment programming, a longstanding contributory environment to one's substance uses and/or mental health disorder, or a state of transience often brings deep-seated anxiety along with it. By setting a foundation of comfort and utility in the units DAS intends to sponsor, paired with an organization that not only houses, but supports individuals through long-term recovery, we aim to promote a home in which one can begin independent living with dignity.

Residents living at Marvel Way have chosen and agreed to live in a substance-free community and participate in creating a mutually supportive neighborhood of recovery. Residents must sign rental agreements that include random or situational drug testing. They will engage with the Resident Manager to obtain medical services needed, employment, counseling, and other resources deemed necessary for success. No other treatment is mandatory. There will be 12-step meetings on-site several times per week along with other skill-building and social engagement activities designed to help create a supportive community.

\* Sole Source Justification: Marvel Way is the only apartment complex in Northern Nevada that offers permanent residence in a sober living environment for individuals and their families who've recently completed SUD programs. The Empowerment Center is a recovery program that owns Marvel Way sober living properties and manages the recovery program offered on site.

Name of Contractor or Subrecipient: Reno  
Family Medical Group

**Total                      \$3,000**

Method of Selection: Sole Source

Period of Performance: July 01, 2026 - June 30, 2027

Scope of Work: Provide primary medical care services during gaps in insurance between Medicaid and employer provided insurance.

Reno Family Medical Group is a private practice that offers Direct Primary Care Membership. Monthly membership fees cover Primary and Urgent care as well as Coordination of Care services. The negotiated discounted cost is a flat \$100 per month for unlimited services offered through their practice.

\* Sole Source Justification: Other service providers in the Reno/Sparks area were also researched, including Access to Healthcare Network, a medical discount program. While they offer monthly membership, additional fees are charged for each service received. In contrast, Reno Family Medical Group provides a broad range of medical services covered entirely by a flat monthly membership fee. For the limited healthcare needs anticipated during the short transition period between Medicaid disqualification and the activation of employer benefits, Reno Family Medical Group offers the most cost-effective solution for supporting STAR participants.
