Why are you interested in being part of this board, commission, or academy?

As a local real estate professional (Realtor), I am proud to promote our community here in Northern Nevada. Transportation and infrastructure are always a topic of discussion not only with my peers, but with clients as well, especially when discussing rural areas. The more insight I can provide to my clients, the better. I also plan to continue volunteering as I absolutely enjoy contributing to the community I grew up in.

How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.

Aside from my real estate business, I am also an employee of TMWA's facilities department. In my prior roles at the Reno Tahoe Airport Authority and Reno Housing Authority, I have working experience in project management and facilities management. I understand the CIP process as I have successfully managed associated projects.
