Summary for December 2024

December marked the first full month of the automatic aid agreement with Reno. While some districts will see a substantial increase in calls, many calls were canceled after coordination between Reno and TMFR Engine Companies.

TMFR, Truckee Meadows Firefighters IAFF 2487, and The Truckee Meadows Firefighter Foundation embarked on a toy drive to benefit the local Ronald McDonald House and Renown Children's Hospital for the holiday season, and made the delivery of hundreds of toys on December 5.

LARGE/MAJOR EVENTS:

12/5/24: TMFR Firefighters responded to a backyard fire on Leonesio Drive in Sun Valley that spread to neighboring yards. Power lines and several trees were impacted, but no structures were involved. s

12/7/24: Engine 32 in Washoe Valley knocked down a grass fire in Pleasant Valley sparked by cutting equipment.

12/19/24: TMFR Firefighters supported Washoe County Animal Services in a rescue of a domestic horse stranded in Washoe Lake overnight. Using Boat #32 and rope systems, our crews helped the horse make its way to shore.
