The Local Government shall provide for the secure custody, safekeeping, housing, subsistence, and care of Federal prisoners in accordance with all state, local, and federal laws, standards, regulations, policies, and court orders applicable to the operation of the Facility. Federal prisoners shall be housed in a manner consistent with the Federal Performance Based Detention Standards (FPBDS) subset utilized by the USMS Detention Facility Review Program. These standards are set forth in Form USM-218 (provided as an attachment to this agreement). The Local Government shall conduct initial and periodic background and reference checks of applicants, employees, contractors, and volunteers. All allegations of staff misconduct shall be investigated and reported to law enforcement as appropriate. Staff misconduct involving or affecting USMS prisoners shall be reported to the local district United States Marshal (USM), Chief,

or their designee and to the USMS Prisoner Operations Division (POD) at [PODCoCInquiries@usdoj.gov](mailto:PODCoCInquiries@usdoj.gov).

At all times, the Federal Government shall have access to the Facility and to the Federal prisoners, and to all records pertaining to this agreement, including financial records, for a retention period of three (3) years from the date of request by the Federal Government.

## **23. Guaranteed Minimum Bed Space (September 2021)**

This IGA **does not** contain a guaranteed minimum for bed space.

## 24. Economic Rate Adjustments (October 2021)

The Federal Government will use various price analysis techniques and procedures to ensure the rates established by this agreement is considered a fair and reasonable price. Examples of such techniques include, but are not limited to, the following:

- a. Comparison of the requested rate with the Independent Government Estimate for detention services, otherwise known as the Core Rate;
- b. Comparison with rates at other state or local facilities of similar size and economic conditions;
- c. Comparison of previously proposed prices and previous Federal Government and commercial contract prices with current proposed prices for the same or similar items; and
- d. Evaluation of the provided jail operating expense information.

The firm-fixed price per-diem rate for services is stipulated in block #11 on page one (1) of this agreement and shall not be subject to adjustment on the basis of **WASHOE COUNTY DETENTION FACILITY** actual cost experience in providing the service. The per-diem rate shall be fixed for a period from the effective date of this agreement forward for **thirty-six (36) consecutive months**. The per-diem rate covers the support of one Federal prisoner per "Federal prisoner day", which shall include the day of arrival, but not the day of departure.

The per-diem rate and the guard/transportation hourly rate will remain unchanged during the renewal period(s) unless the Local Government requests an economic rate adjustment. To request a per-diem economic rate adjustment, the Local Government will need to access USMS' Capture system via the Law Enforcement Enterprise Portal (LEEP) at <https://portal.cjis.gov/wps/myportal/LEEPNG>. The Local Government may contact the Agreements Specialist for more information.

An economic rate adjustment to either rate can be requested by the Local Government after **thirty-six (36) months of continuous performance**. Request for economic rate adjustments prior to the ending of the **thirty-six (36) month period** preceding the most recent rate adjustment shall only be considered if there are extreme circumstances that warrants a review of an out of cycle economic rate adjustment. Granting an out of cycle economic rate adjustment is not guaranteed.

To request an out of cycle per-diem economic rate adjustment, the Local Government will need to follow the same instructions as requesting an economic rate adjustment during the renewal period. For the request to be considered, the Local Government must demonstrate that its costs have substantially increased during the current **thirty-six (36) month period**. The Local Government shall provide the Agreements Specialist documentation to include cost and pricing data to justify the facility's out of cycle economic rate adjustment request. The request and its supporting documentation are the sole responsibility of the Local Government to provide a complete request package to the Agreements Specialist. Incomplete or missing data may delay the request being processed or causing the request to be denied altogether.

Two (2) or more out of cycle economic rate adjustment requests within the same **thirty-six (36) month period** with an aggregate proposed increase of 25% or more are not permissible under this agreement.
