Partial terminations of the Scope of Work in Section B may only be undertaken with the prior approval of the Department. In the event of any termination for convenience, all finished or unfinished documents, data, studies, surveys, reports, or other materials prepared by the Recipient under this Agreement shall, at the option of the Department, become the property of the Department, and the Recipient shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to the termination.

DEPARTMENT OF HEALTH AND HUMAN SERVICES
DIVISION OF CHILD & FAMILY SERVICES
NOTICE OF SUBAWARD**

- Department of Health and Human Services policy allows no more than 10% flexibility of the total budget category not to exceed amount of the subaward, within the approved Scope of Work/Budget. Subrecipient will obtain written permission to redistribute funds within categories. **Note: the redistribution cannot alter the total amount of the subaward. Modifications in excess of 10% require a formal amendment.**
- Equipment purchased with these funds belongs to the federal program from which this funding was appropriated and shall be returned to the program upon termination of this agreement.
- Travel expenses, per diem, and other related expenses must conform to the procedures and rates allowed for State officers and employees. It is the Policy of the Board of Examiners to restrict contractors/Subrecipients to the same rates and procedures allowed State Employees. The State of Nevada reimburses at rates comparable to the rates established by the US General Services Administration, with some exceptions (State Administrative Manual 0200.0 and 0320.0).
- The program Contract Monitor or Program Manager shall, when federal funding requires a specific match, maintenance of effort (MOE), "in-kind", or earmarking (set-aside) of funds for a specific purpose, have the means necessary to identify that the match, MOE, "in-kind", or earmarking (set-aside) has been accomplished at the end of the grant year. If a specific vendor or subrecipient has been identified in the grant application to achieve part or all of the match, MOE, "in-kind", or earmarking (set-aside), then this shall also be identified in the scope of work as a requirement and a deliverable, including a report of accomplishment at the end of each quarter to document that the match, MOE, "in-kind", or earmarking (set-aside) was achieved. These reports shall be held on file in the program for audit purposes, and shall be furnished as documentation for match, MOE, "in-kind", or earmarking (set-aside) reporting on the Financial Status Report (FSR) 90 days after the end of the grant period.

The Subrecipient agrees:

To request reimbursement according to the schedule specified below for the actual expenses incurred related to the Scope of Work during the subaward period.

- Total reimbursement through this subaward will not exceed **\$206,946.00**.
- Requests for Reimbursement will be accompanied by supporting documentation, including a line-item description of expenses incurred.
- Indicate what additional supporting documentation is needed to request reimbursement.
- Additional expenditure detail will be provided upon request from the Department.

Additionally, the Subrecipient agrees to provide:

- A complete financial accounting of all expenditures to the Department within 30 days of the CLOSE OF THE SUBAWARD PERIOD. Any un-obligated funds shall be returned to the Department at that time, or if not already requested, shall be deducted from the final award.
- Any work performed after the SUBAWARD PERIOD will not be reimbursed.
- If a Request for Reimbursement (RFR) is received after the 30-day closing period, the Department may not be able to provide reimbursement.
- If a credit is owed to the Department after the 30-day closing period, the funds must be returned to the Department within 30 days of identification.

The Department agrees:

- Identify specific items the program must provide or accomplish to ensure successful completion of this project, such as:
 - Providing technical assistance, upon request from the Subrecipient.
 - Providing prior approval of reports or documents to be developed.
- The Department reserves the right to hold reimbursement under this subaward until any delinquent forms, reports, and expenditure documentation are submitted to and accepted by the Department.

Both parties agree:

- All reports of expenditures and requests for reimbursement processed by the Department are **SUBJECT TO AUDIT**.
- This subaward agreement may be **TERMINATED** by either party prior to the date set forth on the Notice of Subaward, provided the termination shall not be effective until 30 days after a party has served written notice upon the other party. This agreement may be terminated by mutual consent of both parties or unilaterally by either party without cause. The parties expressly agree that this Agreement shall be terminated immediately if for any reason the Department, state, and/or federal funding ability to satisfy this Agreement is withdrawn, limited, or impaired.
