SUMMARY

Recommendation to accept LifeSet's Implementing Partner Incentive Program funding from Youth Villages, Inc., a private foundation, as an Award Amendment in the amount of [\$9,000.00; no county match] retroactive to July 1, 2025 through November 30, 2027 to reinvest the funds into the LifeSet program by maintaining quality staff services and supports for participating youth; authorize the Director of the Human Services Agency to execute the funding agreement; and direct the Finance office to make the necessary budget amendments.

The Youth Villages, Inc. approved the Agency's LifeSet program to participate in the Implementing Partner Incentive Program to help achieve milestones. The timeframe allotted for earning the incentive funding concluded June 30, 2025, and the Human Services Agency's LifeSet program received a total of \$9,000 to reinvest back into the four (4) year program that began serving youth November 2023. The funding is intended to assist with staff recruitment and retention, maintain quality staff services, and maintain the monthly average for daily enrollment of youth.

PREVIOUS ACTION

On August 22, 2023, the Board of County Commissioners approved item #14, the Department's request to authorize the implementation of the LifeSet Program by Human Services Agency's Independent Living Program and acceptance of a grant award from

AGENDA ITEM # _____

Youth Villages, Inc. in the amount of [\$1,288,783.00; \$2,836,528.00 county match] for a four (4) year award period retroactive from June 1, 2023 through November 30, 2027.

BACKGROUND

The Youth Villages' mission is to help children, young adults, and their families find long-term success and have been in operation for 35 years serving youth and families. LifeSet is an established Youth Villages program designed to help young people in and aging out of child welfare, juvenile justice, or children's mental health systems accomplish successful independent adulthood and achieve positive outcomes. The evidence-based model program outcomes include the domains of permanent relationships, employment and earnings, housing stability, mental and emotional health, economic well-being, reduced legal involvement, and education. The youth drive services through their input into their service plans and goal development. The LifeSet core areas of service include establishing positive relationships and connections, education, employment housing, independent living skills, physical and mental health, expectant and/or parenting if applicable, safety planning and crisis intervention, trauma-informed care, and continuous assessment and planning.

The Agency began enrolling eligible youth in the LifeSet Program November 2023 through the Independent Living Program that provides youth aging or aged out of foster care with individualized services as they transition to adulthood successfully. November 2023 had 12 youth participating and by June 2025 there were 33 youth participating.

The Agency's LifeSet program would like to use the Implementing Partner Incentive Program funding for staff training and provide direct assistance to support wraparound services for participating youth. Staff retention and training are crucial as the program engages intensive case management services and staff provide positive relations for the youth. Wraparound services for youth support expenses such as transportation assistance, basic needs, identification cards, educational activities, etc.
