Washoe County Open Space and Regional Parks Commission: Submitted

Please tell us about yourself

Why are you interested in being part of this board, commission, or academy?

The mission of the Washoe County Open Space and Regional Parks Commission: "To provide exceptional parks, open space and recreational opportunities while preserving our natural, historical and cultural resources" aligns with my hopes for our County and our Community. I have dedicated my professional career at Sierra Nevada Journeys to ensuring that youth in our community, particularly historically marginalized/underserved/underrepresented youth, have access to, and interest in, our natural and open spaces in Washoe County. I have personal interest in serving on this Commission, so that I can support this important decision making body with a balanced and informed approach to issues regarding parks, open spaces and cultural resources. As a resident of Washoe County for over a decade, I'd like to ensure we are planning soundly for current and future growth of our community.

How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.

I have spent nearly 15 years in the non-profit sector, with the last 8 serving in an executive leadership capacity during a time of major growth in our organization. I have a collaborative leadership style, and get along well with people. My strongest theme according to Gallup Strengths Finder is "Harmony", and I have been praised for the ability to facilitate collaborative outcomes with groups. I'm genuine, transparent in my communication and caring. I've served on many Committees and Boards in the past, including the Nevada State Science Teachers Association (Board), the Nevada Mining Association Education Committee, the One Truckee River Education Committee, the Informal STEM Learning Environments (ISLE) Sub Committee out of the Governors Office of Science, Innovation and Technology (OSIT), and the Carson Water Subconservancy District Education Committee. Current volunteer positions include the UNR College of Science Advisory Board, UNR NevadaTeach Advisory Board, and the Washoe County Leadership Academy. I'd be happy to participate and contribute my time to this Commission if you think I would add value to the team.
