Metropolitan Planning Organization of Washoe County, Nevada

2025 Regional Transportation Plan Update

April 2024

RTC Background

The Regional Transportation Commission of Washoe County (RTC) is the federally-recognized Metropolitan Planning Organization (MPO) for the Truckee Meadows. RTC is responsible for:

- Transportation planning as a condition of Federal aid
- Managing transportation revenue
- Provides regional transit service

Regional Transportation Plan (RTP) Overview

The purpose of the Regional Transportation Plan (RTP) is to:

Identify the transportation projects, programs and services that may be implemented through 2050

Functions as the major tool for implementing long-range transportation planning

Captures the community's vision for the transportation system

Establishes an implementation plan to achieve that vision

RTP Update Overview

RTPs are updated every five (5) years to account for the latest conditions and reflect the community's current priorities.

RTC is embarking on an update of the RTP, last updated in 2021.
