## **SUMMARY**

Washoe County can subgrant funds from its allocation of the State and Local Fiscal Recovery Funds (SLFRF) in accordance with the Treasury's Final Rule and NRS 244.1505.

The active General Improvement Districts in the county have been awarded \$250,000 each to carry out projects that are of priority to their community.

The Community Reinvestment Grant Program conducted an open and competitive grant solicitation for non-profits in Washoe County to propose projects to aid the community in recovery from the COVID-19 Pandemic and bolster the community's resilience. The application period was from June 1<sup>st</sup>, 2022, to July 15<sup>th</sup>, 2022. The applications were reviewed internally by Washoe County staff and considered for the proposal's alignment with Washoe County services, geographic territory, and populations the project seeks to serve. Applications were vetted for eligibility under ARPA-SLFRF guidelines and presented to Washoe County leadership. The initial set of awards includes 12 projects totaling \$1,021,113.33 to local nonprofits.

The program is currently budgeted for \$4 million of the County's SLFRF. Additional projects will be brought to the Board of County Commissioners for approval in the coming weeks after additional information is gathered from the applicants.

**Washoe County Strategic Objective supported by this item:** Safe, Secure, and Healthy Communities

## **PREVIOUS ACTION**

On October 11, 2022, the BCC approved construction of two National Fitness Courts (#40) for \$312,000 in match funds to Renown's \$100,000 grant to Washoe County to install outdoor community fitness equipment.

On September 13, 2022, the BCC approved the amendment of Project (#22), the Health District Mobile Outreach Vehicle to increase the budget by \$85,498 to account for the increased price in procuring the vehicle.

The Board also approved the following projects and subgrants:

- Juvenile Services - Multisystemic Therapy (MST) Pilot Program (#34) for high-risk juvenile justice involved youth in the amount of \$661,924.
- Family Peace Center (#35) which provides access to supervised visitation and exchange services for families dealing with court matters at the Second Judicial District Court in the amount of \$480,281.
- Elections Translation & County Website Accessibility (#36) for \$300,000 to the Office of the County Manager's Communications Division supporting translation services of the general election and providing an audit of the County's accessibility on its websites.
- Senior Services Soft Serve Machine (#37) for \$15,000 to encourage senior participation in events at the Senior Services Department.
- Sun Valley General Improvement District (#38) received a subgrant of \$250,000 to support recreation activities in Sun Valley.

- Palomino Valley General Improvement District (#39) received a subgrant of \$250,000 to support road repairs in Palomino Valley.

On July 19, 2022, the BCC approved a subgrant of \$50,000 to Soulful Seeds (#32), a nonprofit that operates the Our Place Garden.

### **BACKGROUND**

On March 11, 2021, the American Rescue Plan Act was signed into law, and established the Coronavirus State Fiscal Recovery Fund and Coronavirus Local Fiscal Recovery Fund. Washoe County has been awarded a grant of \$91,587,038 in State and Local Fiscal Recovery Funds (SLFRF). On May 17, 2021, Washoe County received payment from the Department of Treasury in the amount of \$45,793,519, fifty percent of the award funds. The SLFRF provide a substantial infusion of resources to help turn the tide on the pandemic, address its economic fallout, and lay the foundation for a strong and equitable recovery.

### **Eligible Uses**

As a recipient of an SLFRF award, Washoe County has substantial discretion to use the award funds in the ways that best suit the needs of county constituents – as long as such use fits into one of the following four statutory categories:

1. To respond to the COVID-19 public health emergency or its negative economic impacts;
2. To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the recipient that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work;
3. For the provision of government services, to the extent of the reduction in revenue of such recipient due to the COVID–19 public health emergency, relative to revenues collected in the most recent full fiscal year of the recipient prior to the emergency; or
4. To make necessary investments in water, sewer, or broadband infrastructure.

### **Washoe County Community Reinvestment Grant Program**

The Washoe County Community Reinvestment Grant Program offers funding to eligible nonprofits that provide services in Washoe County that can aid in a strong and equitable recovery. The County requested proposals for projects or programs to help the community recover from COVID-19, aligned with the priorities of ARPA-SLFRF funding, and further the County's strategic goals.

The grant program is intended to address:

- Negative economic impacts spurred or exacerbated by the pandemic;
- Systemic community challenges through improved service delivery; and
- Planning and preparation for future events that cause service disruptions.

In general, projects will be prioritized that partner or collaborate with existing Washoe County services or address issues related to:

- Childcare
- Mental and emotional health and wellbeing
- Community violence and child neglect prevention
- Promote Internet access
- Outdoor recreation and trails, or
- Assist individuals to gain skills that will bolster their economic potential

**ARPA-SLFRF Subgrant Awards:**

<b>Incline Village General Improvement District</b>			
<b>Project #41</b>	Skate Park Enhancements	\$250,000	Approval Recommended
Description:	Incline Village GID intends to hire an architect to evaluate the current skate park and design recommendations for improvements. Following these recommendations, IVGID will hire a construction company to install an enhanced skate park that meets the needs of the Incline Village Community. The objective of this project is to enhance the skate park so that additional skate area can be provided along with beginner elements to better suit the growing number of users the park has.

Category:	2.22: Strong Healthy Communities: Neighborhood Features that Promote Health and Safety		

<b>Rebuilding Together Northern Nevada (RTNNV)</b>			
<b>Project #50</b>	Safe and Healthy Homes for Washoe (SHHW)	\$100,000	Approval Recommended
Description:	SHHW addresses the immediate needs for home repairs in Washoe County, specifically Sparks and unincorporated Washoe County. RTNNV will perform these repairs by working in-house with repair staff members, volunteers, and hired licensed contractors. These repair services fall into two categories—accessibility and livability. Accessibility services address issues for seniors and individuals with disabilities, including trip and fall prevention, accessibility modifications, and ramp installation. Livability services focus on the health and safety of a home. The project aims to provide home repairs to 10 families in affordable housing units.		
Category:	2.18: Housing Support: Other Housing Assistance		

<b>Sierra Nevada Journeys</b>			
<b>Project #51</b>	STEM Explorers	\$177,655.00	Approval Recommended
Description:	STEM Explorers is a weekly afterschool program that includes Overnight Outdoor Learning (an overnight camp) at the end of the school year. STEM Explorers is intentionally designed to build academic success and integrates social and emotional development through facilitated leadership and collaborative lessons. Grant funding will expand the program to three Washoe County schools including Desert Skies, William O'Brien STEM Academy (O'Brien) and Sparks Middle. Between the three school sites, Nevada Report Card's Accountability Portal indicates that only 19-23% of students are proficient in science, lower than both Washoe County and Nevada.
