Financing for business customers may be available from Agilent's independent finance partner(s), (hereinafter "Lender"). The above financing examples are provided for illustrative purposes only and do not constitute a legally binding offer from Agilent.

**Please note:** Financing offers, payment amounts, and structures are subject to credit approval and acceptance of contract terms directly with the Lender. Terms and interest rates are subject to change based on the customer's credit review. Financing payments are calculated based on the "Total Net Cost with Shipping and

Handling" (excludes applicable taxes) as identified on this Quotation.

**Fair Market Value Purchase Option (FMV Lease):**

An agreement with the Lender allowing a customer to use the asset(s) for an agreed term in return for regular payments. Title is retained by the Lender. End of term options may include extend the contract, purchase for fair market value, or return the financed equipment.

**\$1 Purchase Option (Finance Lease):**

An agreement with the Lender allowing a customer to use the asset(s) for an agreed term in return for regular payments resulting in equipment ownership once all monthly payments have been made.

Contact your local Agilent Sales Representative or the Agilent Financial Solutions Specialist ([financing@agilent.com](mailto:financing@agilent.com)) if you wish to proceed with a finance arrangement. We will then arrange for a quotation from the Lender, which you would enter into directly with the Lender, and will be subject to their terms and conditions (and credit reviews).
