ARTICLE 2 - SERVICES TO BE PERFORMED BY CONTRACTOR

Contractor agrees to perform and complete all Services identified in Exhibit A Scope of Work under this Agreement, and any amendment thereto in accordance with the Standard of Care as set forth in Exhibit A. Contractor may label specific parts of an individual document as “trade secret” or “confidential” in accordance

with NRS, provided that Contractor thereby agrees to indemnify and defend the County for honoring such a designation. The failure to label any document that is released by the County shall constitute a complete waiver of any and all claims for damages caused by any release of records.

ARTICLE 9 – INSPECTION AND AUDIT

10.1 Books and Records.

Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the County, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

10.2 Inspection and Audit.

Contractor agrees that the relevant books, records, including, without limitation, relevant accounting procedures and practices of contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of contractor for such records may be found with or without notice by the County or its representatives. All books, records, reports, and statements relevant to this Agreement must be retained a minimum of 3 years, and for 5 years if any federal funds are used pursuant to this Agreement. The retention period runs from the date of payment for the relevant goods or services by the County, or from the date of termination of this Agreement, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

ARTICLE 10 - TERMINATION

11.1 Termination Without Cause. This Agreement may be terminated for any reason by either party by giving the other party written notice of the intent to terminate. The notice must specify the date upon which the termination will be effective, which date may not be less than ninety (90) calendar days from the date of service of the notice. Only services satisfactorily performed up to the date of receipt of notice shall be compensated by County and such compensation shall be pursuant to the terms of this Agreement. If this agreement is unilaterally terminated by the County, Contractor shall use its best efforts to minimize the cost to the County and Contractor will not be paid for any cost that Contractor could have avoided.

11.2 Termination by Non-appropriation. The County may terminate its participation in this Agreement effective immediately by providing written notice if for any reason the County's funding source is not appropriated or is withdrawn, limited, or impaired. The County will make reasonable efforts to ensure payment for services rendered by the Contractor. The Contractor shall agree to hold the County free from any charges or penalties except for those already incurred through the date of notice of cancellation.

11.3 Termination with Cause for Breach. A breach may be declared with or without termination. A notice of breach and terminations shall specify the date of termination of the Agreement, which shall not be sooner than the expiration of the Time to Correct, if applicable, allowed under the Agreement. This Agreement may be terminated by either party upon written notice of breach to the other party on the following grounds:

a. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Agreement within the time requirements specified in this Agreement or within any granted extension of those time requirements; or

b. If any state, county, city, or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Agreement is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

c. If Contractor becomes insolvent, subject to receivership, or becomes in voluntarily or involuntarily subject to the jurisdiction of the Bankruptcy Court; or

d. If the County materially breaches any material duty under this Agreement and any such breach impairs the Contractor's ability to perform; or

e. It is found by the County that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the County with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such Agreement; or

f. If it is found by the County that Contractor has failed to disclose any material conflict of interest relative to the performance of this Agreement.

11.4 Time to Correct. Unless the breach is not curable, or unless circumstances do not permit an opportunity to cure, termination upon declared breach may be exercised only after service of formal written notice as specified in the notice section of this Agreement, and the subsequent failure of the breaching party within 15 calendar days of service of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared breach has been corrected. Upon a notice of breach, the time to correct and the time for termination of the contract upon breach shall run concurrently, unless the notice expressly states otherwise.

11.5 Winding Up Affairs Upon Termination. In the event of termination of this Agreement for any reason, the parties agree that the provisions of this section survive termination:

a. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Agreement. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

b. Contractor shall satisfactorily complete work in progress at the agreed rate, or a pro rata basis if necessary, if so requested by County;

c. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this contract if so requested by the County;

d. Contractor shall preserve, protect and promptly deliver into County possession all proprietary information

e. Notwithstanding the above, Contractor shall not be relieved of any liability to the County for damages sustained by the County by virtue of any breach of this Agreement by the Contractor, and the County may withhold any payments to the Contractor for the purposes of set-off until such time as the exact amount of damages due the County from the Contractor may be determined.

ARTICLE 11 - NONDISCLOSURE OF PROPRIETARY INFORMATION

Contractor shall consider all information provided by County to be proprietary unless such information is available from public sources, was known to Contractor prior to the execution of this Agreement, was received by Contractor from a third-party source not under any obligation of confidentiality to the County or is required by law or ordered to be disclosed in a regulatory or judicial proceeding. Contractor shall not publish or disclose proprietary information for any purpose other than the performance of the Services without the prior written authorization of County or in response to legal process or as required by the regulations of public entities.

ARTICLE 13 - UNCONTROLLABLE FORCES

Neither County nor Contractor shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to uncontrollable forces the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid and is not reasonably foreseeable at the time of entering into this Agreement. The term "uncontrollable forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the control of the non-performing party. It includes, but is not limited to, fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, inability to procure permits, licenses, or authorizations from any state, local, or federal agency or person for any of the supplies, materials, accesses, or services required to be provided by either County or Contractor under this Agreement, strikes, work slowdowns or other labor disturbances, and judicial restraint. Neither Party shall, however, be excused from performance if nonperformance is due to uncontrollable forces which are removable or remediable nor which the non-performing Party could have, with reasonable dispatch removed or remedied.
