AMERICAN MAH-JONGG GROUP

"So great! Love the social interaction and love the brain stimulation."

"I love Mah-Jongg at South Valleys Library! I even look forward to Mondays! Made so many new friends and have branched out to other group locations."

"Mah-Jongg has been a fun way to begin my retirement, learn something new, and keep my brain working."

"I entered retirement and needed to meet new people. Love this group and felt so welcomed. Thank you for giving us a space."

"My 9-year-old son and I came in today to learn Mah-Jongg. We had a wonderful time. Our table was very welcoming and helpful in teaching us. We'll be back!"
