RE: Letter of Intent to Award Federal Fiscal Year 2025 State and Local Cybersecurity
Grant Program Funds

Dear Ms. Campbell

This letter is to inform you that Nevada Office of Emergency Management (OEM) intends to award a Fiscal Year 2025 State and Local Cyber Security Grant Program subaward to the Washoe County Sheriff's Office. The project is intended to support the Northern Nevada Cyber Center through the purchase of digital forensics software, encrypted data transmission software, and NNCC employee cybersecurity training.

We anticipate the grant performance period will be September 01, 2025 through August 08, 2029. Adhering to the grant performance period is a condition of the grant award. In order to receive reimbursement, all grant expenditures and reporting must be completed by the end of the grant performance period.

The purpose of this letter of intent is to assist local and tribal jurisdictions to work through their internal grant approval process.

We anticipate that the Federal Fiscal Year 2025 SLCGP award will be approved and ready for Washoe County to accept by July 31st, 2026.

If you have any questions, please contact the OEM at (775) 687-0300.

Best Regards,

A handwritten signature in blue ink, appearing to read "Susan Coyote".
