With respect to the services to be provided by the County Registrar of Voters to the City, these acts and functions shall include, but not be limited to, the following:
  - a) Placing publication orders for City in conjunction with County publication requirements;
  - b) Designation of precincts and voting districts;

5. The parties also recognize that Assembly Bill 321, which was passed during the 81<sup>st</sup> session of the Nevada Legislature in 2021, made significant changes to the way elections are conducted in the State of Nevada. Consistent with those changes all parties agree to comply with requirements pursuant to AB 321.
6. The City agrees that the City Ward Boundaries established as of January 1, 2022, shall not be amended or otherwise changed during the period of this agreement, with the exception of adjustments required to reflect newly annexed territories.
7. All City elections shall be conducted by the parties hereto in accordance with the City Charter, and to the extent not in conflict with the Charter, Chapter 293, 293B, and 293C of the Nevada Revised Statutes or other applicable law.

8. The County Registrar of Voters and the City Clerk shall perform the duties and functions specified of them with respect to various boards as provided in NRS Chapters 293, 293B, and 293C. In the event that there arises a question with respect to a particular board, the Registrar of Voters, after consultation with the City Clerk, will make such appointments to such boards as can be made consistent with law and with the parties' intentions under this Agreement.
9. The Washoe County Registrar of Voters shall, at a reasonable time after the closing of the polls, furnish the City Clerk sufficient copies of vote tabulation reports on all City offices and ballot questions. The County Registrar of Voters shall be responsible for preparing and submitting to the City Clerk the Abstract of Votes on City offices and ballot questions for canvass and certification by the Reno City Council. Upon completion of the canvass and certification, the City Clerk shall issue a Certificate of Election to the candidate for each office who has received the largest number of votes for said office. All voted ballots, rejected ballots, spoiled ballots, unused ballots, tally lists, poll books, challenge lists and stubs of the ballots used, enclosed and sealed, must, after the canvass of the votes be deposited in the vaults of the Registrar of Voters and preserved for the retention period established in NRS 293C.390 and NRS 293.391. 11. For the conduct of each election, City shall pay to the County \$.15 per registered City voter. In addition, City shall be responsible for payment of actual costs for conduct of the City's portion of the election, incurred by county in the performance of the Agreement that would not otherwise have been incurred, by County. These expenses include, but are not limited to, increased costs associated with printing the sample ballots and the increased costs for printing the City's portion of the ballot and legal notices. For those costs that are incurred solely for the City, e.g., a separate legal notice for the City only, the City shall bear the full costs. For those costs that are shared between the County and City, e.g., a combined ballot, the City shall be responsible for paying the percentage of the costs for printing the ballot, which their portion of the ballot represents. By way of illustration, if the City's portion of the ballot represents 25% of the total ballot size, the City shall pay 25% of the costs of printing the entire ballot. Such actual costs do not include indirect costs such as costs of County personnel for time spent working on the City's portion of the ballot or election.
12. Payments by City may be made either directly or as reimbursement to County, whichever the City Clerk and Registrar of Voters agree is most efficient and serves to minimize actual or indirect costs. Actual costs and expenses shall be governed by NRS 293.437 through NRS 293.460, inclusive, where appropriate; and by NRS 293C.545.

13. In the event that a liability claim is filed against either the City or County arising from this Agreement, there shall be a meeting between the risk managers of each agency to discuss how best to address the claim. In the event that a lawsuit is filed against either agency either City or County, there shall be a meeting between the risk managers and the attorneys representing each agency to discuss how best to defend or settle the lawsuit. The agencies agree to hold harmless, indemnify and defend each other, their respective officers, agents, employees, and volunteers from any loss or liability resulting from any claim, suit, or action based on bodily injury or property damage caused by the act either direct or passive, the omission, failure to act or negligence on the part of the respective agency, its employees, agents, representatives arising out of performance of work under this Agreement.

14. This Agreement shall supersede all previous agreements and shall be in force and effect from and after the date first appearing above and shall continue thereafter until November 30, 2024.

IN WITNESS WHEREOF, the parties hereto have set their hands and seal this month, day and year first above written.
