

Truckee Meadows Fire & Rescue Monthly Report

Board of Fire Commissioners Meeting
July 2024

May 2024 Response Statistics

With extreme temperatures underway, TMFR is reminding citizens to always use a personal flotation device if recreating in the river or any body of water.

AGENDA ITEM #11B

Contents:

Incidents Totals for the Month of May 2024, pages 3-4

Total Call Volume by Station & Battalion, page 5

Incident Detail by Station, pages 6-9

Summary for May 2024

In May, TMFR Firefighters responded to five structure fires, and 10 wildland/brush fires.

May presented TMFR with the opportunity to train with our regional partners to include Reno Fire, Sparks Fire, Carson City, and North Lake Tahoe Fire for RT-130 Wildland Fire Safety Training Annual Refresher. The exercise presented scenarios that required firefighters to rescue injured firefighters off the fire line. TMFR also produced a short video that can be found on the District's YouTube Channel.

TMFR also performed curbside chipping is for eligible disabled, low-income, and elderly individuals. This program is intended to assist residents who cannot travel to chipping locations such as the Fire District's green waste collection locations. This program accommodates Washoe County residents to dispose of their green, dry, and dead vegetation, shrubs, tree branches, etc.

Public Education/Relations Events: 7

TMFR Firefighters suppressed a structure fire on Charjene Way in Sun Valley on May 13. Five residents were displaced due to significant smoke damage in the residence. No injuries reported.

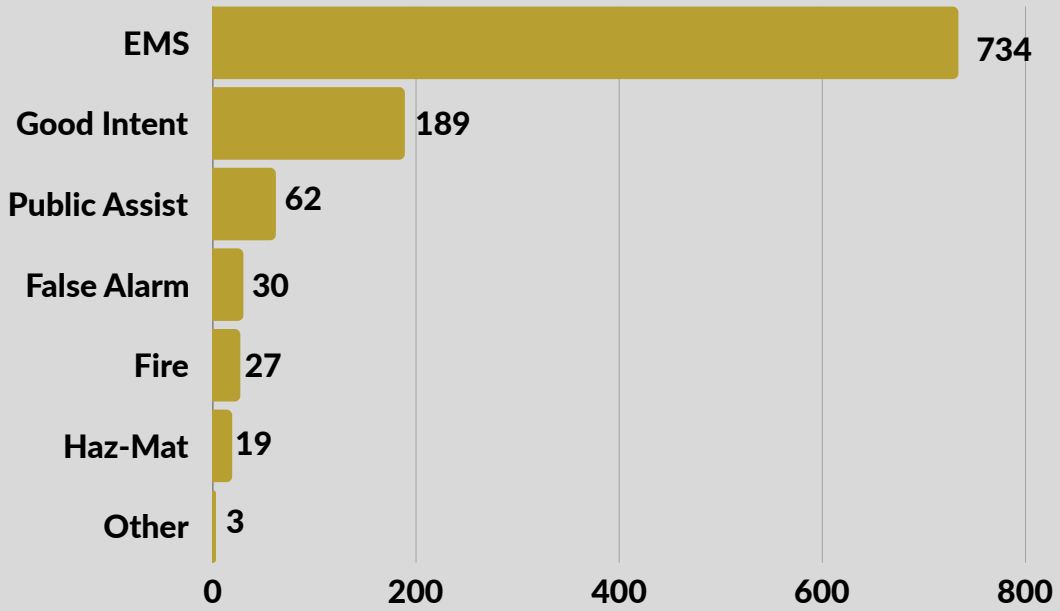

RT-130 Training Briefing. The Exercise took place at Galena Creek Park
