ALLEGHENY COUNTY
ALWAYS INSPIRING

Introducing...

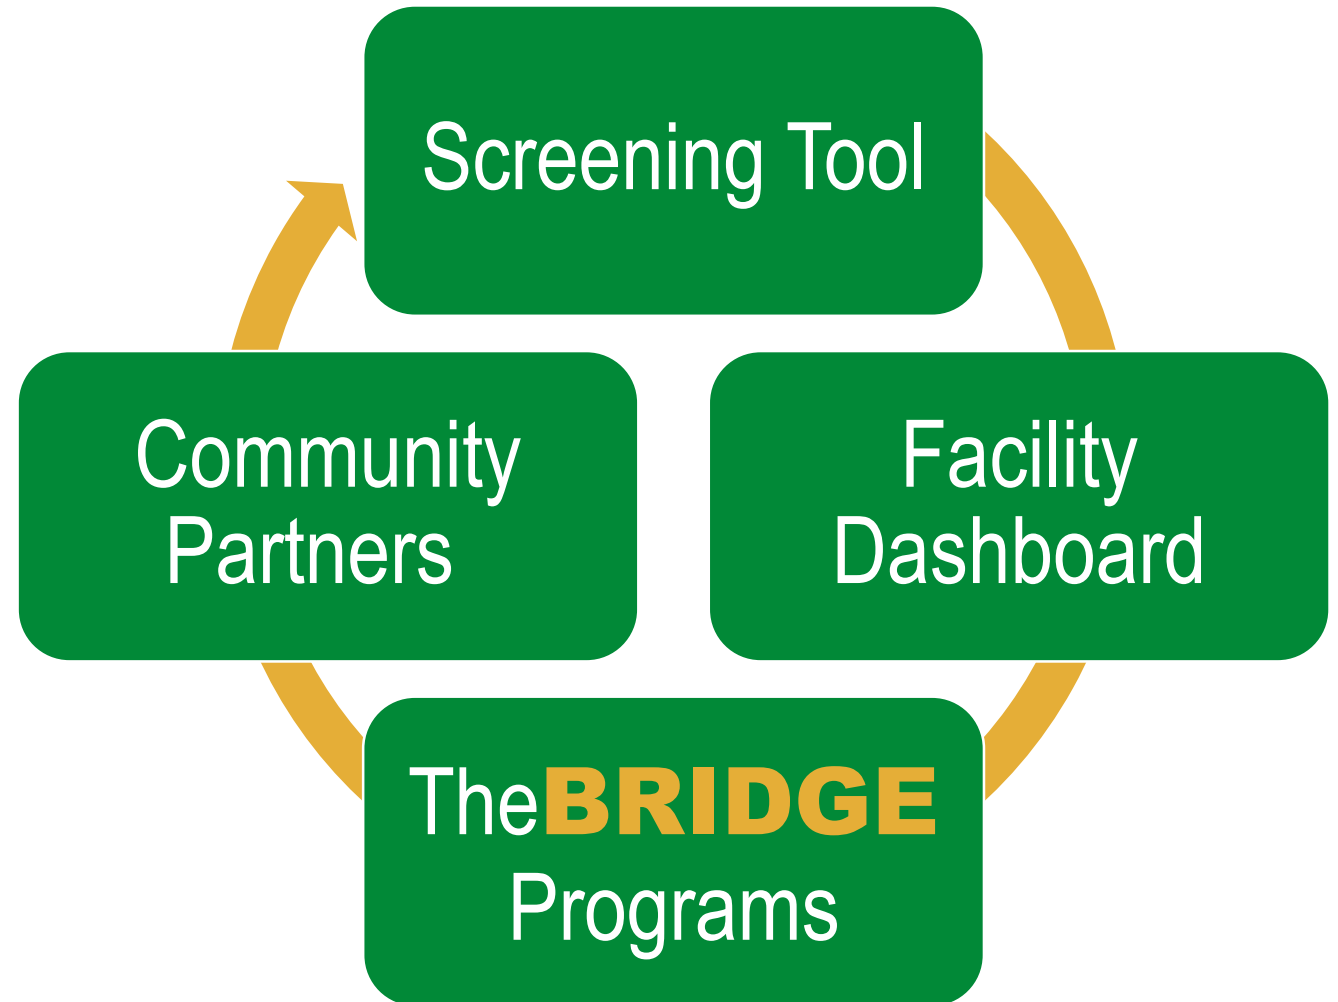

VISION At WCSO, we envision a community where every individual, no matter their past, has the opportunity for successful reentry after incarceration. The Bridge program is key to making this vision a reality.

MISSION At The Bridge at WCSO, we specialize in evidence-based re-entry programs, tailoring our services to assist individuals as they transition back into society after incarceration. We provide scientifically proven programs and support to empower individuals to thrive within their neighborhoods, workplaces, and families. Every journey is unique, and we are committed to ensuring that those seeking assistance receive the necessary support regardless of their background. Together, we rebuild lives and shape a brighter, safer future for all.
