3. **TERM.** The Initial Term of this Agreement shall be as specified at page 1. This Agreement shall automatically be renewed for the Renewal Terms, if any, also stated at page 1 unless either Party gives to the other ninety (90) days written notice of termination prior to the expiration of the then-current term. Upon expiration, cancellation or termination of this Agreement for any reason, Licensee shall: (i) remove the Approved Equipment and any other property of Licensee from the Licensed Premises at Licensee's sole risk, cost, and expense; (ii) deliver the Licensed Premises in substantially the same and in as good a condition as received (ordinary wear and tear excepted); and (iii) repair any damage caused by the removal of the Approved Equipment within 30 days of termination or expiration, subject to provisions of section 24. Nothing herein shall prevent Licensee from performing such analysis for its own account; *provided, however*, that Licensee shall provide a complete copy of any structural analysis that it performs to Licensor at no cost to Licensor promptly upon completion of that analysis. If Licensor performs such an analysis or causes one to be performed as a result of modifications requested or made by Licensee, Licensee agrees promptly to reimburse Licensor for all reasonable costs and expenses incurred by Licensor or Licensor's vendor in the performance of such structural analysis within thirty (30) days following receipt of an invoice from Licensor. In the event that the Approved Equipment causes such interference or any permitted subsequent modification or addition causes such interference, Licensee shall take all steps necessary to correct and eliminate the interference. If such interference is not eliminated within seventy-two (72) hours after Licensee's receipt of notice of such interference from Licensor or other licensee, Licensee shall cease operations until the interference is eliminated if so requested by Licensor. If Licensee does not cease all interfering operation within such seventy-two (72) hour period, Licensor shall have the right to disconnect Licensee's equipment. Licensor agrees that Licensor and/or any other licensees who install, operate or subsequently modify equipment at the Tower Site will be permitted to operate only such equipment which does not cause interference to Licensee's then-pre-existing Approved Equipment. In the event that Licensee is subject to any such interference, Licensor shall (or shall cause other licensees to) take all steps necessary to correct and eliminate the interference. If such interference is not eliminated within seventy-two (72) hours after Licensor's receipt of notice of such interference from Licensee, Licensor shall (or shall cause such other licensees) to cease operations if requested by Licensee until the interference is eliminated. Nothing in this section shall be deemed or interpreted to authorize Licensee to illegally transmit on any frequencies or to provide any protection to Licensee from interference from any other person in the event that Licensee is operating on any unlicensed frequency spectrum.
10. **SITE RULES AND REGULATIONS.** Licensee agrees to comply with the reasonable rules and regulations established from time to time at the Tower Site by Licensor in its discretion. Such rules and regulations will not unreasonably interfere with Licensee's normal business operations.
11. **CASUALTY; CONDEMNATION.** If the Licensed Premises or the Tower Site is destroyed or condemned, in whole or part, whether by eminent domain or otherwise, then: (i) in the event that the Licensed Premises or the Tower Site is wholly destroyed or condemned, this Agreement shall terminate without further liability to either Party except for payment of the Monthly License Fees due up to the time of such destruction or condemnation; or (ii) if the Licensed Premises are usable by Licensee for its purposes, then Licensor shall, within one hundred and twenty (120) days (which shall be extended for any delays directly caused by governmental action or inaction), repair the Licensed Premises or the Tower Site with a reasonable reduction of the Monthly License Fee

to Licensee during the period of repair. If, however, any such partial destruction or condemnation occurs within six (6) months prior to termination of this Agreement, either Party may terminate this Agreement without further liability except for payment of the Monthly License Fees up to the time of such destruction or condemnation. Any Monthly License Fees prepaid by Licensee shall be returned to it as part of the operation of this section.

12. **COMPLIANCE WITH LAWS.** Licensors is responsible for ensuring that the tower structure at the Tower Site is operated in compliance with all governmental lighting and marking requirements. 13. **INDEMNIFICATION; INSURANCE.** Each Party shall, to the fullest extent permitted by law, indemnify, defend and hold harmless the other Party, its respective Affiliates, and their respective directors, officers, shareholders, successors and assigns against all claims, losses, costs, expenses, damages, and liabilities (except as otherwise provided in Section 14 of this Agreement) arising from: (i) the negligence, willful misconduct or strict liability of such Party, or its agents, employees, representatives, contractors; or (ii) any material breach by such Party of any provision of this Agreement. Neither Party shall be responsible or liable to the other for any damage arising from any claim to the extent attributable to any acts or omissions of other licensees at the Tower Site. Without limiting the foregoing in any way, both Parties, each at their sole cost and expense, agree to maintain comprehensive general liability and casualty insurance (including without limitation, an umbrella policy of no less than five million (\$5,000,000.00 dollars) in amounts reasonably satisfactory to the other Party with respect to its respective property and obligations hereunder. Such insurance policies shall contain a provision that such policy shall not be canceled or amended without thirty (30) days' notice to the other Party and each Party shall deliver a copy of a certificate evidencing such insurance coverage upon written request. Licensors shall be named as an additional insured on Licensee's policy with respect to the Tower Site. If insurance coverage is provided by self-insurance program, Licensee will provide a statement of insurance and identify the programs covered under the self-insurance program. 16. **ASSIGNMENT; SUBLEASING.** Licensee may assign this Agreement as a whole with Licensors's prior written consent; *provided, however*, that Licensors's consent will not be required for an assignment to any person or entity which is controlled by, controlling or under common control with Licensee ("Affiliates"). For these purposes, "control" means ownership, directly or indirectly, of 50% or more of the voting stock, equity or beneficial interest or a general partner of any partnership. In no event may Licensee sublet, sublease, or permit any other similar use of the Tower Site or Licensed Premises by any party other than an entity which is (and continues to be) an Affiliate of Licensee. In no event may Licensee diplex signals, grant any shared use rights, or utilize digital or analog interconnect facilities for any user other than Washoe County Department and Agencies and authorized users of the Washoe County Regional Radio System. No permitted assignment or sublease shall relieve Licensee of any of its obligations, express or implied, under this Agreement. Any permitted assignee or sub-lessee shall expressly assume, and become bound by, all of Licensee's obligations under this Agreement. Licensors may freely assign, transfer, or sublease this Agreement. Licensors shall be relieved of all of its obligations under this Agreement from and after the date of such assignment, transfer, or sublease. This Agreement shall be binding upon the successors and permitted assigns of both parties. Further, all terms, conditions and covenants contained in this Agreement shall be specifically subject to and subordinate to the terms and conditions of an applicable Ground Lease. In the event that any of the provisions of the Ground Lease are in conflict with any of the provisions of this Agreement (other than those provisions relating to the length of term, termination rights or financial consideration), the terms of the Ground Lease shall control. Further, Licensee agrees to be bound by such Ground Lease as applicable to the access and occupancy of the Licensed Premises. In the event that the Ground Lease expires or terminates prior to the expiration of the Initial Term or applicable Renewal Terms, this Agreement shall automatically terminate upon termination of Licensor's right to possession of the Tower Site. Licensor agrees not to take any action with respect to the Ground Lease as then in effect which will cause the Ground Lease to be prematurely terminated during the term of this Agreement. Licensor hereby warrants and agrees that it shall exercise any renewal option available to it pursuant to the Ground Lease through the end of the term of this Agreement. Upon Licensee's written request, Licensor shall provide Licensee with a copy of any applicable Ground Lease with the economic terms redacted.
19. **DEFAULT.** Either Party shall have fifteen (15) days after receipt of written notice from the other Party to cure any monetary default and, except as otherwise provided with respect to RF interference, thirty (30) days after receipt of written notice from the other Party to cure any non-monetary default. Except with respect to RF interference, if any default cannot be cured timely, then so long as the Party charged with the default diligently pursues a cure during the prescribed time period, that Party shall be given additional time to cure the default. If subsequent to the foregoing requisite periods of time, there continues to be an event of default, the non-defaulting Party may terminate this Agreement upon thirty (30) days written notice to the defaulting Party and may institute any other available proceedings at law or in equity to recover damages from the defaulting Party.
20. **COLLECTIONS.** Should Licensee fail timely to pay the Monthly License Fee or any other fee or charge established by this Agreement, Licensor may take any collections actions it deems necessary without further notice to Licensee, including, without limitation, the disconnection or removal and storage of the Approved Equipment. Licensee shall pay all reasonable attorney's fees, court costs, removal and storage fees (including any damage caused thereby), and other items of cost or expense reasonably incurred by Licensor in recovering the Monthly License Fee or other fee or charge. No endorsement or statement on any check or letter accompanying a check for payment of any monies due and payable under the terms of this Agreement shall be deemed an accord and satisfaction, and Licensor may accept such check or payment without prejudice to its right to recover the balance of such monies or to pursue any other remedy provided by law or in this Agreement. Licensor shall accept any such partial payment for the account of Licensee. Past due amounts under this Agreement will bear interest from the date upon which the past due amount was due until the date paid at a rate equal to the lesser of: (i) twelve percent (12%) per annum; or (ii) the maximum rate of interest allowed by law in the state in which this Agreement is to be performed. In addition, Licensee shall be assessed a late payment fee equal to ten percent (10%) of the Monthly License Fee for any Monthly License Fee payment which is overdue by ten (10) days or more and for each thirty (30) day period that such amount remains unpaid thereafter.
21. **GOVERNMENTAL APPROVALS; PERMITS.** In the event that any governmental permit, approval or authorization required for Licensor's use of, operation of, or right to license space to Licensee at the Tower Site is challenged, terminated or withdrawn by any governmental authority or third party as part of any governmental, regulatory, or legal proceeding, Licensor may terminate this Agreement or Licensee may elect to install or continue to operate its equipment at its sole cost and risk. Licensee understands and agrees that, in the event of a governmental or legal order requiring the removal of Licensee's equipment from the tower or removal of the tower structure or any structural modification required to accommodate Licensee's Approved Equipment, Licensee shall do so promptly at its sole cost and expense and this Agreement shall terminate if such removal or modification is due to no act or occurrence by Licensee.
22. **REPLACEMENT OF TOWER.** Licensor reserves the right, in its sole discretion, to replace or rebuild the tower structure or the top of the tower. In such event, Licensor shall provide Licensee with space at the Tower Site suitable to allow Licensee to continue to operate the Approved Equipment in a substantially similar manner during the construction period. Licensor shall be solely responsible for the costs associated with removing and re-installing the Approved Equipment. Licensor also expressly reserves the right to erect one or more towers on the Tower Site, subject to Licensor's obligations to Licensee under this Agreement. Licensee shall also have the right to establish a temporary facility on the Tower Site to provide such services as Licensee deems necessary during any such reconstruction by Licensor so long as adequate space is then available. The location of such temporary facilities shall be subject to Licensor's approval, which shall not be unreasonably delayed, conditioned or withheld.
23. **GOVERNING LAW.** This Agreement shall be governed by the laws of the state in which the Tower Site is located. If any provision of this Agreement is found invalid or unenforceable under judicial decree or decision, the remaining provisions of this Agreement shall remain in full force and effect. Any approval, consent, decision,

or election to be made or given by a Party may be made or given in such Party's sole judgment and discretion, unless a different standard (such as reasonableness or good faith) is provided for explicitly.

24. **FORCE MAJEURE.** If either Party is unable due to causes beyond its reasonable control to carry out its obligations under this Agreement in whole or in part and if such Party gives written notice and full details of the *force majeure* event to the other as soon as practicable after the occurrence of the event, then during the pendency of such *force majeure* event, but for no longer period, the obligations of the affected Party will be suspended to the extent required. The affected Party shall remedy the *force majeure* with all reasonable dispatch. *Force majeure* means an event that is not within the reasonable control of the affected Party, including, without limitation, war, riots, civil insurrection or acts of a common enemy, fire, flood, strikes or other labor difficulty, acts of civil or military authority, including governmental laws, orders, actions, inactions or regulations, embargo, or other causes beyond the reasonable control of that Party.
25. **RESOLUTION OF DISPUTES.** The Parties agree to endeavor to resolve disputes arising out of this Agreement without litigation. Accordingly, except for action seeking a temporary restraining order or injunction, or suit to compel compliance with this dispute resolution process, the Parties agree to use the following dispute resolution procedure with respect to any controversy or claim arising out of or relating to this Agreement or its breach. At the written request of either Party, each Party will appoint an authorized representative to meet and negotiate in good faith to resolve any dispute arising under this Agreement. The Parties intend that these negotiations be conducted without legal representation by business representatives. The location, format, frequency, duration and conclusion of these discussions shall be left to the discretion of the representatives. Upon agreement, the representatives may utilize other alternative dispute resolution procedures – such as mediation – to assist in the negotiations. Discussion and correspondence among the representatives for purposes of these negotiations shall be treated as confidential information exchanged for purposes of settlement, exempt from discovery and production, which shall not be admissible in any lawsuit without concurrence of both Parties. Documents identified in or provided with such communications, which are not prepared for purposes of the negotiations, are not so exempted and may, if otherwise admissible, be admitted in evidence in a lawsuit. If the negotiations do not resolve the dispute within forty-five (45) calendar days of the initial written request, either Party may pursue any remedies to which it is entitled, at law or in equity, including without limitation, litigation. The forty-five (45) days specified in this section may be extended upon mutual agreement of the Parties.
26. **MISCELLANEOUS.** Time is of the essence of this Agreement. The offer of license expressed in this Agreement shall automatically expire and become void if not accepted by Licensee and such acceptance received by Licensors within thirty (30) days from the date first above-written. The only means by which Licensee may accept this offer of license is by timely returning one copy of this Agreement, executed on behalf of Licensee, to Licensors. This Agreement constitutes the entire agreement of the Parties hereto concerning the subject matter hereof and shall supersede all prior offers, negotiations and agreements, whether written or oral. No revision of the Agreement shall be valid unless made in writing and signed by authorized representatives of both Parties. No waiver of any of the provisions of this Agreement shall constitute a waiver of any other provision hereof (whether or not similar), nor shall such waiver constitute a continuing waiver unless expressly agreed to in writing by the affected Party.
27. **SITE APPLICATION FEE:** Within thirty (30) days of the Effective Date of this Agreement a Site Application Fee in the amount of \$1,000.00 is due and payable by Licensee.
28. **BUREAU LAND MANAGEMENT FEE:** In the event that a particular License is associated with a Tower Site located on real property which is owned by the Bureau of Land Management, the United States Forest Service or other Governmental Authority, Licensee shall pay any and all base fees or assessments paid by Licensors or the underlying lessor under the Ground Lease by such Governmental Authority, as well as, any fees or assessments and/or increases in such fees or assessments invoiced by such Governmental Authority that are directly attributable to and/or are the result of the use or presence of Licensee's Equipment at the Tower Site.
