BACKGROUND

Modification of guidelines and adoption of resolution for County Commission District Special Funding on February 10, 2015, created Commission District Special Funds for each Commission District. On May 17, 2021, the Board of County Commissioners approved the 2022-2023 fiscal year budget with special district funds allocated per Commission District in the amount of \$100,000.00. The monies appropriated are to support needs for all Washoe County residents.

Funds appropriated through the Commission District Special Funds must provide substantial benefit to the inhabitants of the County. The recipient must be a non-profit organization, created for religious, charitable or educational purposes, or a government entity. Funds shall not provide any personal or private benefit for the Commissioners, directly or indirectly benefit any campaign efforts by a commissioner, violate Ethics in Government law, or be used to purchase tickets to special events.

Commissioner Hartung has elected to support the following organization in fiscal year 2022-2023:

- [\$10,000.00] grant to the Food Bank of Northern Nevada -- a nonprofit organization created for charitable, religious, or educational purposes -- to support the organization's efforts to provide food for families in need throughout the region. The Food Bank of Northern Nevada uses innovative programs and services to attack hunger from all angles to move Nevadans from a place of hopelessness to health. Each month, the Food Bank of Northern Nevada aids more than 120,000 people, almost half of whom are children and seniors.
