Incident Statistics

Statistics and categories reflect the start of a new TMFPD and National reporting system that began January 1, 2026. TMFPD transitioned its reporting system to align with the National Emergency Response Information System (NERIS) to ensure uninterrupted national data reporting and compliance. NERIS replaced the 50-year old coding and manual data entry system known as NFIRS and expanded the capabilities to include all-hazard reporting with real-time data and improved interoperability.
