BACKGROUND

Human Services regularly accepts donations from community members and business, to be used for miscellaneous needs for the children in care and families who are clients of the Washoe County Human Services Agency. As such, acceptance of donations requires Board approval.

Washoe County Code 15.140(1)(d) reads: 1. The Board of County Commissioners: (d) has sole authority to receive donations of personal property where the personal property has a value, singly or in the aggregate, of \$5,000.00 or greater from a contributor during a fiscal year.

Washoe County Code 15.140(1)(e) reads: 1. The Board of County Commissioners: (e) Must be notified when an officer or employee of a county department or agency accepts non-federal personal property for the use and benefit of the County where the personal property has a value, singly or in the aggregate, of less than \$5,000 from a contributor during a fiscal year. In such an event, the officer or employee must notify the Board of County Commissioners in writing of the acceptance.

Washoe County Code 15.160(3) reads: An officer or employee of a county department or agency shall not accept, amend, or supplement a grant, and except as otherwise provided in section 15.140(1)(e), shall not accept, amend, or supplement a contribution of money or property without approval by the Board of County Commissioners.

In December 1993, a Resolution Establishing a Program for the use of Donated Juror Fees was approved by the Board of County Commissioners. This program enabled jurors to donate their fees (grand juror and trial juror) to Child Protective Services (the agency

which provides protective services as defined in NRS 432B.030). The resolution states that the money must be used only for a program or activity which is designed to prevent the abuse or neglect of a child or to benefit an abused or neglected child (as defined in NRS 432B.020).
