The Open Space and Regional Parks Commission is composed of nine members, all of whom shall be appointed by the Board of County Commissioners from residents of the County at large. The powers and duties of the park commission are:

1. To act in advisory capacity to the Board of County Commissioners in promoting, aiding, and encouraging public recreation including the development of recreation and park facilities.
2. To act in an advisory capacity to the Director of Community Services in maintenance, development, and operation of all county-owned or operated recreation areas and facilities and to develop rules and regulations governing the use of those facilities.
3. To establish general procedures to carry out the purpose of the Commission and recommend rules and regulations to the Board of County Commissioners as it may deem necessary to facilitate the carrying on of a recreation and park system.
4. To study and make recommendations on the Department's operating procedures and policies, fiscal policies and plans, and acquisition and development plans and policies.
5. To interpret the recreation program to public officials and to the general public in order that the recreation and park program may receive adequate support from public and private sources.

The appointment of commissioners to the Open Space and Regional Parks Commission is not based on Board of County Commission district; however, practice has been to appoint at least one Park Commissioner from each County Commission district where possible. The Open Space and Regional Parks Commission currently consists of the following Commissioners:

- Nicholas-Martin Kearney – District 1
- Neal Jones – District 1
- Lisa Rode – District 2
- Kevin Joell – District 2
- Timothy Dake – District 2
- Michaelangelo Aranda – District 2
- Charles (Mark) Neumann – District 3
- Miles Gurtler – District 5

While the Board of County Commissioners has provided direction to staff through the Washoe County Strategic Planning Process specifically related to boards and committees appointed by the Board, it is important to point out current policy of the Board. The Washoe County Board of County Commissioners Rules of Procedures handbook most recently updated in October of 2022 includes the following section related to re-appointment:

Article 8 – Boards and Commissions

8.2 Terms of Service of County Appointees on Boards. Except as otherwise provided herein, the limit of service of an individual appointed to a board is two consecutive terms. The limit of services for an individual appointed to a Citizens Advisory Board is three consecutive terms. An individual filling an unexpired term with $\frac{3}{4}$ or more of that term remaining shall be considered as having served for a full term. An additional term may be considered for an individual's appointment if there are no other qualified applicants. Consideration should be given to assuring broad County wide representation on boards. Appointments are not to be limited to individuals from the unincorporated area unless otherwise specified or intended by law.

FISCAL IMPACT

There is no fiscal impact to Washoe County for appointments to the Open Space and Regional Park Commission as per WCC 95.020(3)(e), commissioners shall serve without compensation.
