

Amended Conditions of Approval

Amendment of Conditions Case Number WAC24-0001

For Tentative Subdivision Map Case Number WTM19-003

The project approved under Amendment of Conditions Case Number WAC24-0001 for Tentative Subdivision Map Case Number WTM19-003 shall be carried out in accordance with the Amended Conditions of Approval granted by the Washoe County Board of County Commissioners on April 23, 2024. Conditions of approval are requirements placed on a permit or development by each reviewing agency. These conditions of approval may require submittal of documents, applications, fees, inspections, amendments to plans, and more. These conditions do not relieve the applicant of the obligation to obtain any other approvals and licenses from relevant authorities required under any other act or to abide by all other generally applicable Codes, and neither these conditions nor the approval by the County of this project/use override or negate any other applicable restrictions on uses or development on the property.

Unless otherwise specified, all conditions related to the amendment of conditions approval regarding the Tentative Subdivision Map Case Number WTM19-003 shall be met or financial assurance must be provided to satisfy the conditions of approval prior to issuance of a grading or building permit. The agency responsible for determining compliance with a specific condition shall determine whether the condition must be fully completed or whether the applicant shall be offered the option of providing financial assurance. All agreements, easements, or other documentation required by these conditions shall have a copy filed with the County Engineer and the Planning and Building Division.

Compliance with the amended conditions of approval related to the Tentative Subdivision Map Case Number WTM19-003 is the responsibility of the applicant, his/her successor in interest, and all owners, assignees, and occupants of the property and their successors in interest. Failure to comply with any of the amended conditions imposed regarding the approved Tentative Subdivision Map Case Number WTM19-003 may result in the initiation of revocation procedures.

Washoe County reserves the right to review and revise the amended conditions of approval related to this Tentative Subdivision Map Case Number WTM19-003 should it be determined that a subsequent license or permit issued by Washoe County violates the intent of this approval.

For the purpose of conditions imposed by Washoe County, "may" is permissive and "shall" or "must" is mandatory.

Conditions of approval are usually complied with at different stages of the proposed project. Those stages are typically:

- Prior to permit issuance (i.e., grading permits, building permits, etc.).
- Prior to obtaining a final inspection and/or a certificate of occupancy.
- Prior to the issuance of a business license or other permits/licenses.
- Some "Conditions of Approval" are referred to as "Operational Conditions." These conditions must be continually complied with for the life of the project or business.

FOLLOWING ARE CONDITIONS OF APPROVAL REQUIRED BY THE REVIEWING AGENCIES. EACH CONDITION MUST BE MET TO THE SATISFACTION OF THE ISSUING AGENCY.

Washoe County Planning and Building Division

1. The following conditions are requirements of Planning and Building, which shall be responsible for determining compliance with these conditions.

Contact Name – Chris Bronczyk, Senior Planner, 775.328.3612, cbronczyk@washoecounty.gov

- a. **The applicant shall attach a copy of the action order approving this project to all permits and applications (including building permits) applied for as part of this approval.**
- b. **The applicant shall submit construction plans, with all information necessary for comprehensive review by Washoe County, and initial building permits shall be issued within two years from the date of approval by Washoe County. The applicant shall complete grading within the time specified by the building permits. Compliance with this condition shall be determined by the Planning and Building Division.**

Nevada Department of Transportation

2. The following conditions are requirements of the Nevada Department of Transportation. NDOT shall be responsible for determining compliance with these conditions.

Contact - Jeff Graham; 775.834.8382; d2traffic@dot.nv.gov

- a. The project is located adjacent to Pyramid Highway which is an NDOT maintained road that is officially designated as SR 445, and functionally classified as a Principal Arterial.
- b. Since the site is located adjacent to SR 445 and has the potential to effect area drainage patterns, the applicant should be required to obtain an occupancy permit from NDOT for the drainage encroachment.
- c. All work proposed within SR 445 right of way will require an encroachment permit and must comply with NDOT's Standard Plans, Access Management System and Standards, Terms and Conditions Relating to Right-of-Way Occupancy Permits, and the Drainage Manual current version at the time of application. Please contact the NDOT District II Permits Office at (775) 834-8330 for information about obtaining NDOT occupancy permits.
- d. This letter does not provide for approval or disapproval of any improvements proposed by the project. NDOT review during the occupancy permit process may result in modification to the proposed improvements or denial.
- e. The State defers to municipal government for land use development decisions. Public involvement for community development related improvements within or adjacent to NDOT right of way should be considered during the municipal land use development process. Significant improvements proposed within NDOT right of way may require additional public involvement. It is the responsibility of the applicant to perform such additional public involvement.
