

Board of County Commissioners

PROCLAMATION

- Whereas,** The Nevada Water Innovation Institute celebrates five years of providing collaborative solutions to Nevada's water needs in 2022; and
- Whereas,** through innovative research and strategic partnerships, the scarcity of water in northern Nevada is being addressed to promote health and economic growth in the Truckee Meadows; and
- Whereas,** it is through a shared vision of the University of Nevada, Reno and regional water resource agencies that demonstrate national leadership in the water sector by developing products, methods, and human resources to help the region to practice sustainable water management; and
- Whereas,** the Nevada Water Innovation Institute takes new approaches to water management, including pollution prevention, water reclamation and reuse, and education of our future workforce and community on sustainable water use; and
- Whereas,** it is a collaborative and regional effort by the University of Nevada, Washoe County, Western Regional Water Commission, Truckee Meadows Water Authority, and the Cities of Reno and Sparks that will make a true difference in our region's future of water;

NOW, THEREFORE, the Washoe County Board of Commissioners does hereby proclaim October 25, 2022 as

Nevada Water Innovation Institute Day

Dated this 25th day of October, 2022.

Vaughn Hartung, Chair
